

California Child Passenger Safety Technical Teleconference

2006 Schedule

Provided by:

SafetyBeltSafe U.S.A.

*In cooperation with the California Department of Health Services
Vehicle Occupant Safety Program (VOSP)*

The bimonthly California Child Passenger Safety (CPS) Technical Teleconferences provide CPS Instructors, Technicians and advocates with information and an opportunity to ask questions about CPS technical CPS issues. Call topics typically include:

- New child restraints on the market
- Issues with installation (vehicles belts, LATCH)
- Problems and potential misuse with specific restraints
- New data and studies published
- Q & A

To join the teleconference, dial (916) 556-1508, access code **8677#**.

Please send questions and suggestions for other technical issues to ckim@carseat.org prior to the call, if possible.

Because the number of available phone lines is limited please join other participants in your community when possible to listen in at one site.

<i>Day</i>	<i>Dates</i>	<i>Time</i>	<i>Phone #</i>	<i>Code</i>
3rd Thursday of even numbered months in 2006	<ul style="list-style-type: none">• February 16• April 20• June 15• August 17• October 19• December 21	10:00 a.m. to 11:30 a.m.	(916) 556-1508	8677# V- O- S- P

Call Etiquette:

- 1. Please call in a few minutes early.*
- 2. Call from a quiet location and put your phone on "mute", if possible.*
- 3. If you must leave the line temporarily, hang up and call back.
Do not use the hold button.*
